DIDJA KNOW?

Friends With Class is an online catalog created by Steve and Gabriela Dow of Rancho Bernardo. As new parents, they found a need to share recommended activities. After much input from friends, the result is the Dows' easy-to-navigate site filled with classes to meet a variety of interests:

- Cooking classes by local chefs like Marcela Valladolid, a finalist on Martha Stewart's "Apprentice" and soon host of her own cooking show.
- "Photography With Your Toddler" and other opportunities to get out and involve the little ones as you learn a new skill.
- "Happily Ever After" class featuring seniors married more than 50 years, who pass on the knowledge they gained through decades of navigating marriage and life as one.
